WELCOME FROM THE JOINT CHAIRS...

Dear Members,

Welcome to the new season and we hope that you have all wintered well! We are really pleased to be able to provide you with a copy of the 2023 Club Handbook. This contains fixtures and useful information about the Club. Please note that fixtures do change unexpectedly so whilst, at the time of writing to you, the information contained in this booklet is correct, it is possible that some fixture dates may change, or be added to.

Thank you to William Woods for helping us produce this booklet. Thank you to all our sponsors for their generous support of the Club; without you we would not be able to host and play so many high-quality games and the junior offering would be much reduced.

We are very excited about the prospects of all our senior teams this year. The Club has worked hard over the last 12 months to retain and attract new players. This has been achieved by improving the training facilities and by investing in the training provision, together with the time spent nurturing player development. It is great to welcome David Stiff back to Harrogate. David returns to the Club and is joined by three other new players; Craig Broadley, Matthew Stewart and Ben Carr. We wish all our new players, current players and captains the very best for the forthcoming season.

We look forward to seeing as many people as possible down at the Kirbys Solicitors County Ground at St George's Road over the course of the coming season. We look forward to catching up with all our members and supporters and we cannot wait for the cricket to begin.

Kind Regards,
Steve Clark and George Oworm

SUPPORT HARROGATE CRICKET CLUB

Harrogate Cricket Club is a community-led and volunteer-driven organisation. We rely on our members, friends and volunteers to assist with the running and administration of the Club.

If anyone is able to lend the time to volunteer in any aspect of running the Club, no matter how great or small, we would appreciate your help. Please contact George Oworm (07766000853 and gowram6@googlemail.com) if you think you have capacity to help the Club in any way.

We do not want voluntary work to be onerous and we always have a number of different and varied roles available for those who want to help make a difference. Engaging in the running of the Club is an incredibly rewarding experience and an opportunity to meet and socialise with other like-minded individuals.

We also rely on the generosity of our members and sponsors to ensure the financial future of the Club is secure. If you would be interested in making a tax-efficient donation to the Club, or would like to talk to us about providing ongoing financial support, or leaving a legacy to the Club, please contact Steve Clark (07919681533 and thefamilyclark@ntlworld.com) or Aidan Bell (07786243309 and ab@msp.co.uk).

Thank you to all our members, friends, parents, volunteers and players for their support over the past season.
