WELCOME FROM THE JOINT CHAIRS...

Dear Members,

Welcome to the new season and we hope that you have all wintered well! We are really pleased to be able to provide you with a copy of the 2025 Club Handbook. Please note that fixtures do change unexpectedly so whilst, at the time of going to print, the information contained in this booklet is correct, it is possible that some fixture dates may change.

Thank you to William Woods and Woods Fine Linens for sponsoring the handbook. Their generosity has meant we have been able to publish a proper fixture booklet for the past three seasons. As ever, thank you to all our sponsors for their generous support of the Club.

Our sincere thanks go to all the captains, coaches, managers, admin support assistants, board members and working group members who dedicate large parts of their lives to running Harrogate CC on a voluntary basis. We are extremely grateful for your dedication and support.

Our junior section goes from strength to strength under the guidance of Suzanne Oliver, Nat Crossland, Ben Quick, and Richard Burcher. Our winter training programme was successfully delivered to both girls and boys. Suzanne and Nat are steering the Girl's Section which continues to rapidly expand and we now have teams at all age groups. Many of boys and girls have achieved representative honours at district and county level which is a testament to their hard work and dedication. From a senior perspective, we are delighted to confirm that Jack Shutt, is retained as our professional for the coming season. Jack has shown exceptional skill as an off-spinner, and his partnership with Ishan Abeysekara has been impressivewith 97 wickets shared between them both. David Stiff hit two 100's in the T20 competition (in one day) and Henry Thompson scored over 700 runs and Isaac chipped in with 600 [!]. We are looking forward to watching the youngsters Hector and Will strengthen their position in the First Team. We all thank Will Bates for his outstanding time as the First Team captain steering the team to the highest position in the Premier League since 2017- Brilliant. The reins are being passed to David Stiff who is one of our most experienced players at County and League level and another Harrogate lad!

We look forward again to seeing you all down at the Kirby's Solicitors County Ground over the course of the coming season and thank you for support!

Kind Regards,

Steve Clark and George Oworm

Support Harrogate Cricket Club

Harrogate Cricket Club is a community-led and volunteer driven organisation. We rely on our members, friends and volunteers to assist with the running and administration of the Club. If anyone is able to lend the time to volunteer in any aspect of running the Club, no matter how great or small, we would appreciate your help. Please contact George Oworm (07766000853 and gowram6@googlemail.com) if you think you may have capacity to help the Club in any way.

We do not want voluntary work to be onerous and we always have a number of different and varied roles available for those who want to help make a difference. Engaging in the running of the Club is an incredibly rewarding experience and an opportunity to meet and socialise with other like minded individuals.

We also rely on the generosity of our members and sponsors to ensure the financial future of the Club is secure. If you would be interested in making a tax efficient donation to the Club, or would like to talk to us about providing ongoing financial support, or leaving a legacy to the club, please contact Steve Clark (07919681533 and thefamilyclark@ntlworld.com).

Thank you to all our members, friends, parents, volunteers, and players for their support over the past season. We look forward to a successful 2025.
